

# Paulinho da Viola - Alento

tom:

Am

C7M

Fm

C7M

Violão esquecido num canto é silêncio

Fm

C7M

Coração encolhido no peito é desprezo

Solidão hospedada no leito é ausência

A paixão refletida num pranto, ai, é tristeza

Um olhar espiando o vazio é lembrança

Um desejo trazido no vento é saudade

Um desvio na curva do tempo é distância

E um poeta que acaba vadio, ai, é destino

C7M

A vida da gente é mistério

Bm7

E7

A estrada do tempo é segredo

O sonho perdido é espelho

O alento de tudo é canção

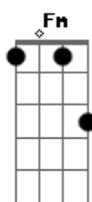

O fio do enredo é mentira

A história do mundo é brinquedo

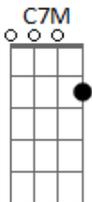

O verso do samba é conselho

E tudo o que eu disse é ilusão
