

Paulo Ciranda - Que Pena

tom:

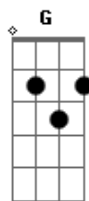

Intro: C A G E7
A7 C G C

Que pena
Você foi embora
E na mesma hora
Que o amor fluía
Com emoção
Que pena
Você foi embora
E foi logo agora
Quando a vida aflora

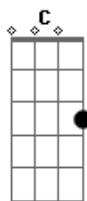

Com explosão

Prometeu acender as sombras
Apagar as zangas do teu coração
Prometeu acender as sombras
Apagar as zangas do teu coração
Você partiu rumo ignorado
E eu pobre coitado
Não sei a razão
Você foi embora
O meu samba chora
Tô na quarentena
Nessa soli...dão
