

Paulo Sérgio - A Fera de Olhos Mansos

tom: [Intro] Dm

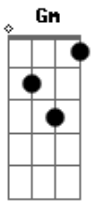

Sem doutor e sem farmácia, na cidade poluída
 Só existe um bom remédio, Para a sua solidão
 O barzinho da esquina, o boliche, a lanchonete
 E uma roda bem gigante, pra girar feito criança
 Entoando uma canção

D
 Vem, que as avenidas, se for bem grande o teu amor
 Te levarão para o céu
 Vem, e acredita que a tua fé, pode no asfalto semear a flor
 Vem, que esta cidade é uma fera, mas tem os olhos mansos
 Por trás deste concreto, de toda essa ambição
 Você vai encontrar um coração
 [Final] D A7 D A7
