Pavement - Newark Wilder

Tom: E

```
   B7      Em
Lane driver
B7           Em
The forces against you, the rain
A7          C
I know everybody wants to put you down
Em           A7              C      B7
But I know everybody's gonna put me down, I want you

            Em        A7
Because I'm rushing to feel you
          C             B7
But I won't set you down, I don't need to
            Em        A7
Because I'm rushing to feel you
          C             B7       E
But I won't set you down, I don't need to

B7           Em
Fly, fly, fly, fly, fly, fly...
B7           Em
Fly... don't try try try try...
A7                     C
Try... it's a brand new era, it feels great
Em           A7            C   B7
It's a brand new era but it came too late

Em         A7
She won't let you know
      C      B7
That I need a right to touch her
Em      A7
She won't let you wait
      C    B7
For me, for me to touch you

C    B7
```
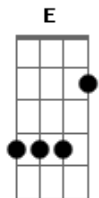

```
   Crowds of the people
         A7                Em      E
And voices and steeples and wedding rings
C  B7
    Wild are the horses
         A7                Em      E
And break-up divorces and seperate rooms from

( A  B7  B7  B7 )

B7         Em
My, my, my, my, my, my...
B7         Em
My... I love your tinted...
A7         C
Eyes... so bad
   Em        A7       C B7
so bad, so, so bad, so, so bad

Em          A7
She won't let me break you out
C          B7
When the picture's cut it free
Em         A7
Three of us, that is enough
C          B7
It's the simple stuff I need

Em          A7
Can't you see the stuff I need?
C          B7
Can't you see?
Em          A7
Can't you stuff me?
C          B7
Can't you stuff me?
Em
Stuff me
```
