

Pawns Or Kings - Anymore

tom: Intro: G D A Bm G D Oh the years have not been kind Α They rush away just like sand That's been caught up in a stream Now the silence I can't stand $% \left(1\right) =\left(1\right) \left(1\right) \left($ But I can't seem to break it Gbm I always hoped that there was more I open my mouth, but it's just noise A D No I don't sing anymore (G D A) (Bm G D) Oh the paper it just lays there In a neat unblemished square Though it's had so many words It seems the author didn't care G 'Cause those words went up in flames Gbm Writing them down felt like a chore No I don't write anymore (G D A)

(Bm G D) Oh the wind used to feel cold And the sunshine hot as hell But now it all feels like a blur Now I cannot seem to tell Maybe the light is all outside Gbm But years ago I closed the door It seems I cannot find the knob A D No I don't feel it anymore (G D A) Oh the world seems to have lost $\ensuremath{\mathsf{me}}$ Or maybe I just lost the world It don't listen to me these days And I can't catch the stones it hurls Maybe it's got nothing to show Gbm Just the sex, the blood, the gore I used to think that it is more A D No I don't know anymore Α No I don't know anymore A D No I don't know anymore
