

# Pe. Jonas Abib - Vigia Esperando a Aurora

Tom: G

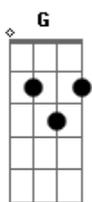

Vigia esperando a aurora qual noiva esperando o amor  
 É assim que o servo espera a vinda do seu Senhor  
 É assim que o servo espera a vinda do seu Senhor

Ao longe, um galo vai cantar seu canto  
 O sol no céu vai estender seu manto  
 Na madrugada eu estarei desperto  
 Que já vem perto o dia do Senhor ôôôôô

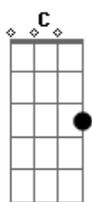

A minha voz vai acordar meu povo  
 Louvando a Deus que faz um mundo novo  
 Não vou ligar se a madrugada é fria  
 Que um novo dia logo vai chegar aaaaaa

Se é noite escura, acendo a minha tocha  
 Dentro do peito o sol já desabrocha  
 Filho da luz, não vou dormir, vigio  
 Ao mundo frio vou levar o amor! oooooo
