

Pe. José Weber - Desça dos céus - IV Domingo do Advento

tom:

Em

Desça dos céus aquele orvalho benfazejo
E que das nuvens desça o Justo prometido
Abra-se a terra e que brote o Salvador
Que nos trará toda a justiça e salvação

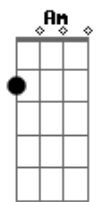

Eis que vai acontecer no fim dos tempos
Que o monte onde está a casa do Senhor
Será erguido muito acima de outros montes

Acordes

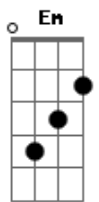

E elevado bem mais alto que as colinas

Será ele o Juiz entre as nações
E o árbitro de povos numerosos
Das espadas farão relhas de arado
E das lanças forjarão as suas foices

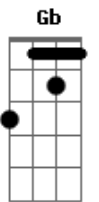

Uma nação não se erguerá mais contra a outra
Nem haverão de exercitar-se para a guerra
Vinde, ó casa de Jacó, vinde, achegai-vos
Caminemos sob a luz do nosso Deus!
