

Peach Pit - Did You Love Somebody

tom:
A
In your voice, so soft and low
C F Am
Did you wake your loves that have come before?
C F G7
Did you bring all those songs you sing
F C G7
Or have I been sung only songs for me?

F Am
Did you love somebody only just
C
For the rush?

F
Like me?
G Am
Did you fear the hand you hold
Dm
Had let go
G G7
Right as you finish saying

C Am
Don't you go all silent too
E
Just let me chew
F G
On all the things that you want to tell me
C Am
I heard a whisper on a wing
E
Let silence sting
F G
So go on, say what you want to sell me

C Am F C G7
C Am
In the moments on your own
F C G7
Did you think that love would take you home?
C Am
Did you see how your love could be
F C G7
And decide to hell, that's enough for me?"

F Am
Did you love somebody for to make
C
Your mistake?

F
Your fool
G Am
Did you feel the pale wind blow
Dm
Past you so
G G7
Right as you finish saying
C Am
Don't you go all silent too
E
Just let me chew
