

# Pearl Jam - Angel

Tom: **G**

Played on a 12-string I think  
Let all open notes ring as you play the moving chords  
This prolly isn't right but it sounds close

Like an angel fly over your house

Like an angel pass out wishes

Like an angel I will move the arrow

Like an angel I live alone

I'm not living what was promised I am close but can't

Enjoy Oh I'm not dying Oh I'm so

Tortured 'cause I see all

Tortured and all I cannot do

Tortured all I should have done

Tortured while I occupied a man

I'm not living what was promised I am far from glori-

-fied Oh I'm not dyin' Oh I'm not a-

-lone\_\_\_\_\_ 2x

Mind is not a celestial state with

Idle helms of praise

Time is short I have an appointment at

Noon at noon in hell a-

-cross the ways of space and fields of

Air I glide alone at night oh

Please please think of me 'cause

I'm I'm by your

Side I'm by your 2x

Side oh  
Oh\_\_\_\_\_ 2x

I'm by your side
