

Pearl Jam - Better Man

Tom: A
Intro:

D Waiting, watching the clock, it's four o'clock
It's got stop
Tell him, take no more she practices her speech
As he opens the door, she rolls over
Pretends to sleep as he looks her over
She lies and says she's in love with him
Can't find a better man
She dreams in colour she dreams in red
Can't find a better man
Can't find a better man
Can't find a better man
Can't find a better man
Ohh...
Talking to herself there's no one else who needs to
Know, She Tells herself, ohh...
Memories, back when she was bold and strong
And waiting for
The world to come along, swears she knew it now she

G Swears he's gone
She lies and says she's in love with him
Can't find a better man
She dreams in colour she dreams in red
Can't find a better man
She lies and says she's in love with him
Can't find a better man
She dreams in colour she dreams in red
Can't find a better man
Can't find a better man
Can't find a better man
Can't find a better man
Ohh...
She loved him, yeah...
She don't want to leave this way
She feeds him, yeah...
That's why she'll be back again
Can't find a better man
Can't find a better man
