

Pearl Jam - Come Back

Tom: **F**

Intro: 2x: **F C Bb**

If I keep **F** holding out will the **Bb** light shine through under this
F Broken roof it's only rain that I feel

I've been **F** wishing out the day
Bb C F

Oh oh oh come back

I have been **F** planning out all that I'd say to you
Bb

Since you slipped away, know that I still remain true
F Bb

I've been **F** wishing out the day

Please say that if you had to go now
F

I wouldn't have lost you another way
Bb

From wherever you are
F

Ohh oh oh come back
Bb C F

And these days they linger on

And in the night I've been waiting for
Am Bb F

The real possibility that I may meet you in my dreams
C

Then I go to sleep

If I don't **F** fall apart will my **Bb** memory stay clear

So you had to go and I had to remain here
