

Pearl Jam - Deep

Tom: **A**

Mike-standard
 Solos are from the Ten songbook
 I pulled Mike's chorus part from the Brimli '93 video
 It is a strange harmony part, and as best as I can tell, is what he's playing
 live. However, I'm not sure so if you have this video or just another idea on this part, feel free to email me or post on the message board.

Intro: , Mike

Stone (play all 9th frets with slide, all other notes with index finger)

Verse, Mike "he just ain't nothin'" (volume swell)
