

Pearl Jam - Last Kiss

Tom: G

[Refrão]

Oh where, oh where

Can my baby be?

The Lord took her

Away from me

She's gone to heaven so

I've got to be good

So I can see my baby

When I leave this world

[Primeira Parte]

We were out on a date

In my daddy's car

We hadn't driven very far

There in road

Straight ahead

A car was stalled and

The engine was dead

I couldn't stop so

I swerved to the right

I'll never forget

The sound that night

The screamin' tires

The bustin' glass

The painful scream

That I heard last

[Refrão]

Oh where, oh where

Can my baby be?

The Lord took her

Away from me

She's gone to heaven so

I've got to be good

So I can see my baby

When I leave this world

[Segunda Parte]

When I woke up the rain

Was pouring down

There were people

Standing all around

Something warm

Was running through my eyes

But somehow

I've found my baby that night

I lifted her head

And when she looked at me and said

"Hold me darling just a little while!"

I held her close

I kissed her our last kiss

I found the love that

I knew I would miss

But now she's gone

Even though I hold her tight

I lost my love, my life, that night

[Refrão]

Oh where, oh where

Can my baby be?

The Lord took her

Away from me

She's gone to heaven so

I've got to be good

So I can see my baby

When I leave this world
