Why deny all the troubles when combined  
Abm G Gbm D

G Am  
Now that you're gone all the troubles suddenly explained  
infinitem  
Abm G Gbm D G  
You're always wishing and never here at home, you  
All the dreams we've shared

And lights we turned on  
Cm Bb  
But the house is getting dark  
Dm C  
And I don't want to know your past  
Cm Bb  
But together share the dawn  
D G Bm Em  
And I won't need... nothing else  
Bm Am Cm G  
'Cause when we're dead we would've had it all  
Bm Em Bm Am  
And died I would've fallen from the sky 'til you  
C G  
Parachutes have opened now

Am  
Heaven knows if there's a ceiling, come so low with the  
kneeling  
Abm G Gbm D G  
Please, know that I got  
All the friends I'm needing  
Dm C  
Before my light goes out  
Cm Bb  
As the doors are closing now  
Dm C  
And far away will be my home  
Cm Bb  
And to grasp this, I don't know  
D G Bm Em Bm  
And I don't need, further back and forth  
Am Cm G  
A wave will break on me today  
Bm Em Bm Am  
And love, wish the world could go again with love  
Cm G  
One can't seem to have enough  
Bm Em Bm Am  
And war, break the sky and tell me what it's for  
Cm G  
I'll travel there on my own  
Bm Em Bm  
And love, what a different life  
Am Cm G  
Had I not found this love with you
