

Pearl Jam - Patriot

Tom: D

And the rivers shall open for the righteous (2x)
 And the rivers shall open for the righteous, someday

I went walking, with my brother

And he wondered, oh, how I am

:

:

:

I am a patriot, and I love my country

:

:

:

And I ain't no communist, and I ain't no socialist
 And I ain't no capitalist, and I ain't no imperialist
 And I ain't no democrat, I sure ain't no republican either

I only know one party, and that is freedom, I am, I am, I am

Okey this should be more like it.....

Subject: Patroit, Pearl Jam

Pearl Jam, Patriot (Steve Van Zandt cover)

The sun was out. Had some money. Cruised into town. Got myself a bootleg and some food. Went home. Played it. And there was this song on it, which had something to it.

Martin.

And the rivers shall open for the righteous (2x)
 And the rivers shall open for the righteous, someday

I went walking, with my brother

And he wondered, oh, how I am
 Said what I believe with my soul
 Ain't what I see with my eyes
 And there's no turning back this time

I am a patriot, and I love my country

Because my country is all I know
 I wanna be with my family
 People who understand me
 I got no place else to go...I am a patriot...

I went walking, with my girlfriend
 She looked so fine, I said baby what's on your mind
 She said I wanna run like the lions
 Released from their cages
 Released from the rages burning in my soul tonight...I am a patriot...

And I ain't no communist, and I ain't no socialist
 And I ain't no capitalist, and I ain't no imperialist
 And I ain't no democrat, I sure ain't no republican either

I only know one party, and that is freedom, I am, I am, I am
 I am a patriot, and I love my country
 Because my country is all I know

And the rivers shall open for the righteous (2x)
 And the rivers shall open for the righteous, someday
 Someday, someday, someday...
