

# Pearl Jam - Sirens

Tom: C  
Intro: C C C C Am A Am A

C C C C  
Hear the sirens  
Am A Am A  
Hear the sirens

C C C C Am A Am A  
Hear the sirens, Hear the circus so profound  
C C C Am A Am A  
I hear the sirens, more and more in this here town

G A G G C Em  
Let me catch my breath to breathe and reach across the bed  
G A G G C Am  
Just to know we're safe I am a grateful man  
G A G G C Em  
The slightest bit of light and I can see clear

Refrão:

Am C G  
Have to take your hand, and feel your breath  
Dm  
For feel this someday will be over  
Am C G  
I pull you close, so much to lose  
Dm C  
Knowing that nothing lasts forever

F C  
I didn't care before you were here  
G Dm C  
I danced in laughter with the everafter  
F C G  
But all things change. Let this remain.

( C C C C Am A Am A )

C C C C Am A Am A  
Hear the sirens covering distance in the night  
C C C C Am A Am  
A  
The sound echoing closer, will they come for me next time?

G A G G C Em  
For every choice, mistake I've made, it's not my plan  
G A G G C Am  
To send you in the arms of another man

G A G G C Em  
And if you choose to stay, I'll wait, I'll understand

Am C  
It's a fragile thing, this life we lead  
G Dm  
If I think too much, I cant get over  
Am C  
Whelmed by the grace by which we live  
G Dm C  
Our lives with death over our shoulder

F C  
Want you to know that should I go  
G Dm C  
I always loved you, held you high above too  
F C G  
I study your face, the fear goes away

Solo Base: C Am Em C D

Pós Solo: C C C C Am A Am A C C

Am C  
It's a fragile thing, this life we lead  
G Dm  
If I think too much, I cant get over  
Am C  
Whelmed by the grace by which we live  
G Dm C  
Our lives with death over our shoulder

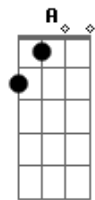

F C  
Want you to know that should I go  
G Dm C  
I always loved you, held you high above too  
F C G  
I study your face, the fear goes away

Dm  
The fear goes away  
C F  
The fear goes away  
C G  
The fear goes away

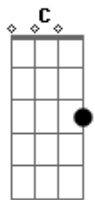

( Dm Em F C G Dm Em F )
