Pearl Jam - Stupid Mop

| Tom: E This is a really basic tab because frankly this song doesn't deserve too much of my time I've added times as a referance point | | G1-2:04 guitars | More random feedback from both |
|--|----------|---|--------------------------------|
| | | More noise and feedback | |
| G1 0:00 | let ring | At about 4:30 G2 fiddles around with these notes for awhile | |
| G2 | feedback | This is not exact | |
| Both guitars feedback with volume swells and tremolo bar for awhile | | | |
| | | Continue randomly | |
| G2's feedback melody, starts at about 0:25 | | About 5:33 G2 does this | etcfade into noises |
| G2 feedback continued (1:09) | | More random noises/feedback for awhile | |
| About 1:24 G1 plays this a bunch while G2 continues to feedback | | Feedback at this pitch ends the song | |
