

Pearl Jam - Wreckage

tom:

[Primeira Parte]

G Bm G Bm
Visited by thought, another darkened day
G Bm Em7 D
How you are like the Sun hiding somewhere beyond the rain
G Bm G Bm
I'm needing for the light, stormy is the grey
G Bm Em7 D
Rivers overflowing, drowning all our yesterdays

C2 G Em7 D
Visited by thoughts on another darkened week
C2 G Em7 D
How even every winner hits a losing streak
C2 G Em7 D
The mistakes we all make and perfectly repeat
C2 G Em7 Em7 D D
Chains are made by DNA refusing, refusing to release

(G Bm Em7 D)

[Segunda Parte]

G Bm G Bm
Combing through the wreckage, pouring through the sand
G Bm Em7 D
Surrounded by the remnants, what we could and couldn't have
G Bm G Bm
Raking through the ashes falling through my hands
G Bm Em7 D
Charcoal on the faces in the burned up photographs

C2 G Em7 D
Oh, visited by thought And this I got to say
C2 G Em7 D
If you're feeling the leaving I can't make you stay
C2 G Em7 D
I've only ever wanted For it not to be this way
C2 G Em7 D D
But you're now like the water And the water will find its way
