Hearts and thoughts they fade away  
Intro:

verse:**E B A E**

On a ceiling  
On a voice of letters Let me say, "I wanna leave it again"  
Once I saw her  
On a piece of weathersaid, gonna say, "I wanna leave it again"  
On a reelin'I wanna wish it all away  
And I called and I said, that I won't wanna say and I then  
call out  
again  
In the restline  
On the leave I've gone by, oh  
I said, "I know and I wear, not a box or a bag."

Yeah!!! can you see them?  
Around the porch, them  
But they don't wait  
I see them  
'Round the front way  
And I know and I know, I don't wanna stay  
Make me cry

solo:

I see, I don't know if there's something else  
On a carmine, on a way  
I said a, "I don't know where there's a box or a bag"

Aww Yeah!!! Can you see them?  
Around the Porch  
Yeah, but they don't wait I see them'  
Round the front way  
And I know and I know, I don't wanna stay at all  
I don't wanna stay I don't wanna stay  
I don't wanna stay
