Corre calma Severina noite
De leve no lençol que te tateia a pele fina
Pedra sonhando pó na mina
Pedras sonhando com britadeiras
Cada ser tem sonhos a sua maneira
Cada ser tem sonhos a sua maneira

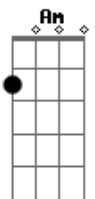

Corre alta Severina noite
No ronco da cidade uma janela assim acesa
Eu respiro teu desejo
Chama no pavio da lamparina

Sombra no lençol que tateia a pele fina
Sombra no lençol que tateia a pele fina

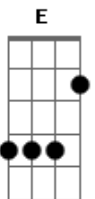

Ali tão sempre perto e não me vendo ali sinto tua alma flutuar do corpo
Teus olhos se movendo sem se abrir
Ali tão certo e justo e só te sendo absinto-me de ti, mas sempre vivo
Meus olhos te movendo sem te abrir
Corre solta Suassuna noite
Tocaia de animal que acompanha sua presa
Escravo da sua beleza

Daqui a pouco o dia vai querer raiar
Daqui a pouco o dia vai querer raiar
Daqui a pouco o dia vai querer raiar
Daqui a pouco o dia vai querer raiar
