

Pedro Vulpe - No Distance

tom:
 E
 It's been all days of lasting evenings
 A D
 And dawn breaks too late
 E
 As the weight of the world
 D A
 Punishes my knees
 E
 When it's all rest
 D
 But there's no dreaming
 A
 Or the words come to fail
 E
 The movement of my lungs
 D A
 Will soon remember me
 E D A
 There's no distance left to run
 E D A
 No work yet to be done
 E D
 The reward is to keep on walking by
 A
 Your own path, your own song
 E D A
 ?Cause there's no distance left to run
 E D
 May your chest feel the warmth
 A
 Lay down your arms, now it's safe
 E A
 To let it hurt out of yourself
 D
 And then be healed
 E D
 I've been trying (trying!)
 A
 To reach some comfort in my eyes
 E
 It's not the first
 D A

It won't be the last time
 Gbm7
 If it's the world's end
 Abm7
 I'll know how to start over
 A Bb
 I will taste peace, I will see clearer
 E D A
 There's no distance left to run
 E D A
 No work yet to be done
 E D
 The reward is to keep on walking by
 A
 Your own path, your own song
 E D A
 ?Cause there's no distance left to run
