

Pentatonix - Cracked

Tom: E

I broke something I'll never get, I'll never get back
 Brought me to my knees
 A head like steel and a soul of gold
 And a heart that's made of glass
 (stop) But mine's cracked, whoa!
 Well, mine's cracked! Whoa!
 Well, mine's cracked No idea where I'm going
 But there's no looking back
 (stop) 'Cause I'm cracked! Whoa!
 You stole something I'll never get, I'll never get back
 You left a hole in me, oh lord!
 Your halo's gone and all I see is horns
 And a heart that's still intact
 (stop) But mine's cracked, whoa!

Well, mine's cracked! Whoa!
 Well, mine's cracked No idea where I'm going
 But there's no looking back
 (stop) 'Cause I'm cracked! Whoa!
 Fire, fire rising inside me
 Liar, liar, treat me so bad
 My, oh my, you hurt me so gladly
 Why, oh why you do me like that
 (stop) Whoa-oh-oh! 000oooo-oh-uh
 But mine's cracked, whoa!
 Well, mine's cracked! Whoa!
 Well, mine's cracked
 No idea where I'm going
 But there's no looking back
 (stop) 'Cause I'm cracked! Whoa!
 (stop) Whoa!
