## Pentatonix - Show You How To Love

```
Tom: A
                                                         0000 0000...
         E D
 Dbm
                                                                                F
Lararara rarara rara ...
Dbm E D
                                                          Gimme one chance and i promise that i'll
                         F
                                                                   D
Lararara rarara rara ...
                                                          Show you the way - oooh
                                                                 Dbm
                                                          I'll take you far from here and
                            F
This girl's got me falling in love
                                                                                     D
           D
                                                         Show you how the night turns to day
And out of my mind
                            Е
                                                         Dbm
 Α
My heart is racing, i'm out of breath D
                                                         I can love you better than that
                                                          F.
                                                                                 D
And i'm wasting my time
                                                         Other guy who broke your heart
                                                            Dbm
 Dbm
                                                         Tell me, tell me, do you love me baby?
She's looking at me like she's never
                                                                             D
                                                         F .
                                                         This party's about to start, start, start, start!
E
                        D
Seen me running round her head - oh yeah
      Dbm
                                                                    Dbm
                                                                           F
                                                                                  D
So will you dance with me,
                                                         So let me show you how to love
                                            F
                                    D
                                                                   Dbm E D E
               F
Or do i have to show you how to love instead?
                                                          So let me show you how to looove
                                                                   Dbm E D
          Dbm E
                                                         So let me show you how to love
                       D
So let me show you how to love
Dbm E D E
                                                                Dbm E D E
                                                         So let me show you how to looove
So let me show you how to loooove
                                                         Dbm D
          Dbm E D
                                                                     E 2X
So let me show you how to love
                                                         WOHA!...
         Dbm E D E
So let me show you how to loooove
                                                         Dbm
                                                                     F
                                                                            D
                                                          0000 0000...
                                                                      E
           E
                                                         Dbm
                                                                           D
                                                                               E
Dbm
                  D
0000 0000...
                                                         0000 0000...
            Е
                 D
                        Е
Dbm
```
