

# Péri - Samba Passarinho

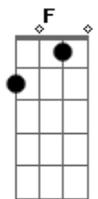

Tom: F

INTRO: Dm

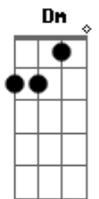

É claro que isso é um samba  
 Um samba claro de se ver  
 Um samba auspicioso, um samba buliçoso  
 Como o samba deve ser

Um samba sem compromisso  
 Sem guéri-guéri, sem lorota  
 O samba é como a vida, só na maciota  
 Um samba pequenininho, um samba indiferente  
 Um samba passarinho, que voa quando tá contente  
 Um samba passarinho, que voa quando tá contente
