  Em               D            D               A
I know it's been a long time comin'. Since I saw your face
     Em              D            D               A
It's been so long since we're together in the back seat of
your car.
Em        D          D        A
    Ooo,     oh..... You used to be my girl
Em               D         D          A
Hold me close 'cause I remember. How could I forget

        D   A                  Bm                G
No e - ra - sin?....      I've felt this once be - fore
        D   A                  Bm            G
No e - ra - sin?....      No runnin' any - more
        D   A              Bm                G
My soul's burn - in?... Just like it was be - fore
        D   A                  Bm                G
No e - ra - sin?....      Our love just won't let go
              Em         D      D      D      D      A
Oh

Em               D            D            A
Summer nights in sweet surrender, underneath the stars
Em               D
One more time we're here together
D                     A        Em       D        D
A
In the back seat of your car....................You used to
be my girl.
Em              D               D              A

              Em         D      D      D      D      A
Oh

D       G          A
Told you of my love today
              D       G                  A
Rain comin' down....You laughed with me and sheltered me and
              D       G            A
Turned me on...You won?t see me, you won?t see how
              D            G                  A
You done me wrong. You done me wrong, and you won't try

( D  A  Bm  G )

        D   A                  Bm                G
