 When the wind rings high and the light hits your eyes
 Time for one last ride?off?to dreamland
 G
 Don't you?worry, I'll be here to remember?you, dear
 Gbm Bm A
 Your laugh, your smile, all your happiness, and your tears
 G
 And it's hard some days (But I'll be okay)
 Gbm
 'Cause even when it's tough, you give me just enough
 Bm A
 So I can keep on goin
 G'
 When I close my eyes (And I dream at night)
 Gbm Bm A
 I feel you in my arms
 G
 Safe and sound
 Gbm
 Here with me
 G
 Everything we found
 Gbm Bm A
 Makes me sing
 G
 Night after night you paved the way
 Put up the fight to save the day
 Now you're a hero
 Gbm
 You brought the light that made today
 Perfect and bright, so dream away
 Now you're an angel
 Em
 Sleeping in peace
 Baby, you'll be
 Gbm G
 Surrounded by my love through all eternity
 G
 Lay down your head and close your eyes
 Right off to bed to sleep tonight, I will be watchin?
 Gbm
 Thinking of you, the times we had
 All of the good and all the bad
 Never forgotten
 Em
 Seal it with a kiss
 Promise you this

Gbm G
 I'll love you till the end of time, forever
 (G Gbm G Gbm Bm A)
 G
 When I'm out downtown, I can still hear the sound
 Gbm Bm A
 Of a voice that sounds so familiar
 G
 Lift my head and turn around, you're nowhere to be found
 Gbm Bm A
 Just big blue sky and my teardrops on the ground
 G
 But I'll be okay (?Cause I know someday)
 Gbm
 That even though you're gone, I know it won't be long
 Bm A
 Til I can see you again
 G
 As the seasons change (In our special place)
 Gbm Bm A
 I'll wait right here for you
 G
 Won't forget
 Gbm
 Any part
 G
 Every moment set
 Gbm
 In my heart
 G
 Who would have known that you would be
 Someone I'd hold so dear to me?
 You were a treasure
 Gbm
 Part of a life I spent with you
 Forever bright, forever true
 Always remember
 Em
 Road may be long
 G
 You stuck with me until the end
 We were a team, you were my friend
 You held me tight and
 Gbm
 Never let go, never let go, never let go
 It's like you're here right by my side
 Em
 You're part of my soul
 I'm never alone
 Gbm
 Cause baby, I will never leave you
