

# Persona 3 - Kimi No Kioku

tom:  
 Bm  
 When the wind rings high and the light hits your eyes  
 Time for one last ride?off?to dreamland  
 Don't you?worry, I'll be here to remember?you, dear  
 Your laugh, your smile, all your happiness, and your tears  
 And it's hard some days (But I'll be okay)  
 'Cause even when it's tough, you give me just enough  
 So I can keep on goin  
 When I close my eyes (And I dream at night)  
 I feel you in my arms  
 Safe and sound  
 Here with me  
 Everything we found  
 Makes me sing  
 Night after night you paved the way  
 Put up the fight to save the day  
 Now you're a hero  
 You brought the light that made today  
 Perfect and bright, so dream away  
 Now you're an angel  
 Sleeping in peace  
 Baby, you'll be  
 Surrounded by my love through all eternity  
 Lay down your head and close your eyes  
 Right off to bed to sleep tonight, I will be watchin?  
 Thinking of you, the times we had  
 All of the good and all the bad  
 Never forgotten  
 Seal it with a kiss  
 Promise you this

I'll love you till the end of time, forever  
 ( G Gbm G Gbm Bm A )  
 When I'm out downtown, I can still hear the sound  
 Of a voice that sounds so familiar  
 Lift my head and turn around, you're nowhere to be found  
 Just big blue sky and my teardrops on the ground  
 But I'll be okay (?Cause I know someday)  
 That even though you're gone, I know it won't be long  
 Til I can see you again  
 As the seasons change (In our special place)  
 I'll wait right here for you  
 Won't forget  
 Any part  
 Every moment set  
 In my heart  
 Who would have known that you would be  
 Someone I'd hold so dear to me?  
 You were a treasure  
 Part of a life I spent with you  
 Forever bright, forever true  
 Always remember  
 Road may be long  
 You stuck with me until the end  
 We were a team, you were my friend  
 You held me tight and  
 Never let go, never let go, never let go  
 It's like you're here right by my side  
 You're part of my soul  
 I'm never alone  
 Cause baby, I will never leave you
