

# Pery Ribeiro - Balanço Zona Sul

tom:

Intro: **Bb** **Eb** **Bb** **Eb**

**Bb** **Eb**  
Balança toda pra andar

**Bb** **Eb**  
Balança até pra falar

**Bb** **Cm** **Dm**  
Balança tanto que já balançou

**Eb** **Fm** **Gm** **Ab**  
Meu coração

**Bb** **Eb** **C7**  
Balança mesmo que e bom

**F** **Dm** **Gm**  
Do Leme até o Leblon

**C7**  
E vai juntando um punhado de gente

**Cm** **F7**  
Que sofre com seu andar

**Bb** **Eb**  
Mas ande bem devagar

**Bb** **Eb**  
Que é pra não se cansar

**Bb**  
Vai caminhando

**Cm** **Dm** **Eb** **Fm** **Gm** **Ab**  
Balam balançando sem parar

**Bb7** **Eb** **C7**  
Balance os cabelos seus

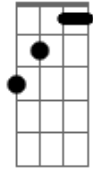

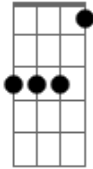

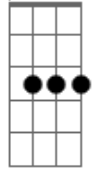

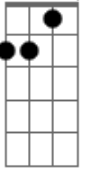

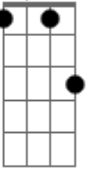

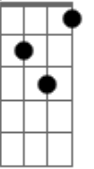

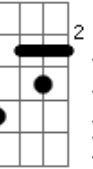

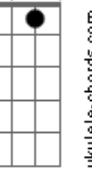

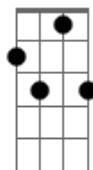

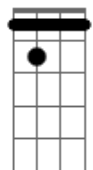

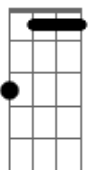

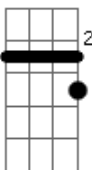

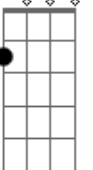

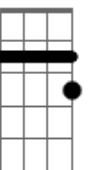

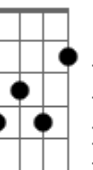

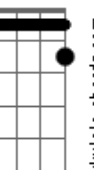

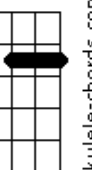

**F** **Dm** **Gm**  
Balance e cai mas não cai

**Cm** **F7**  
E se cair vai caindo, caindo

**Bbm**  
Nos braços meus

( **Eb7** **Am** **D7** **Abm** )  
( **Db7** **Dm** **Dbm** )  
( **Cm** **F7** **Bb** )

## Acordes

|                                                                                                                         |                                                                                                                           |                                                                                                                           |                                                                                                                           |                                                                                                                          |                                                                                                                          |                                                                                                                             |                                                                                                                             |                                                                                                                             |
