

Peteco Carabajal - Viejas Promesas

tom:

G

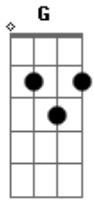

Cada febrero vuelve a renacer
 De las cenizas de la soledad
 Tu apasionado amor, tu luz espiritual
 Tu enloquecido embrujo carnaval.-

Cada febrero vuelve a despertar
 La copla que dormía tras del sol

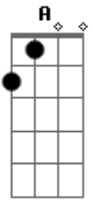

Ansias de libertad queman tu corazón
 Ya vuelve a enamorarte el carnaval.-

Para febrero nace una ilusión
 Chaya, La Rioja, flores de amistad
 Tierra y harina, piedra antigua
 Rejuvenece con el beso que te da
 Tu carnaval
