

Peter Asher - Love Always Comes As a Surprise

Tom: **D**

D **G** **D**
Love, always comes as a surprise
A **G**
You don't need to close your eyes
Bm **Em**
'Cause soon you'll recognize
Gb **G** **A**
Its colors

D **A** **D**
Life, well it always has a twist
A **G**
Something new that can't be missed
Bm **Em**
And you know i can't resist
Gb **G** **A**
This feeling

E **Em** **Gb**
I used to feel so far from home
Bm
I thought all hope had flown
G
Just a dreamer on my own
Am **Em**
And i know

Em
Life's complicated
But we have to try
Gb
To find our own future
With you at my side

G

We can all work together
To build something new
D
I know you can see it
A
Let's make it come true

[Music break]

Riff: **E** = 14-12-14-15-14-12-10-14 12-14-15-14-12-10-7
12-14-15-14-12-10-7-9-10-12

Time, well it passes by so fast
We must make each moment last
And treasure each and
Every feeling

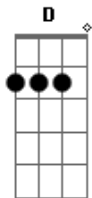

Friends, are what make it all worthwhile
Just try and show a little style
And life can put a smile
On your face

Don't, ever give up on your dreams
As hard as things may seem
We can win through in the end
Believe me

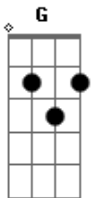

Fears and illusion
To die may be caused
But things can still change
The future at last

Can be held in our hands
And out of the blue
With friends on our side
To have the endings come true
