

Peter Manos - In My Head

Tom: C

I know it's not the same, but I feel it anyway
 Tell me if that's okay
 No, I'll be on my way, should've known, now I feel insane
 I insane

I've waited way too long, yeah, I know you've changed
 You have a different face to me
 I guess that I was wrong I'm the one to blame
 And that's a shame you see

Ooh, you're in my head and I keep on forgetting
 Ooh you're here instead and it seems never ending
 Ooh I know, I know you've changed, you don't feel the same
 Ooh you're in my head

You say it's all alright but you're not who's up at night
 You'll probably say "we tried"
 This feels like all a lie, while you tend to try and hide

Your hold has got me tight

I've waited way too long, yeah, I know you've changed
 You have a different face to me
 I guess that I was wrong I'm the one to blame
 And that's a shame you see

Ooh you're in my head and I keep on forgetting
 Ooh you're here instead and it seems never ending
 Ooh I know, I know you've changed, you don't feel the same
 Ooh you're in my head

And nothing else is right, you're laced inside my mind
 I'm holding on, I know it's wrong but I can't see your side
 Everything has changed, you're only in my brain
 I can't seem to let this be but I guess I'll refrain

Ooh you're in my head and I keep on forgetting
 Ooh you're here instead and it seems never ending
 Ooh I know, I know you've changed, you don't feel the same
 Ooh you're in my head
