

# Petit Biscuit - I Leave Again (feat. Shallou)

tom:

**D**

The sky's so cold

**D**

I feel you slow

**G**

Your mind is not like it was before

**D** **D** **D**

I delete all, put thoughts on hold

**G**

I try to feel you

**G** **D**

But you are gone

**D** **D** **D**

The fire's cold inside your soul

**G** **D**

I feel the weight, of what we were

**D** **D** **Bm**

I delete all, put thoughts on hold

**G**

I try to feel you

( **D** **Em** **G** **A** )

( **D** **Em** **G** **A** )

**D**

Your eyes were bright

I felt the shine

**G** **D**

Miss the summers we used to hide

**Bm**

The city lights on this blue night

**G** **D**

You used to tell me that it's alright

**D** **Bm** **G**

I chill my bones, out in the cold

**G** **D**

Walk the pathways we used to know

These quiet towns we'll leave behind

I try to feel you
