D
But?you are gone
D
The fire?s cold inside your soul

I feel the weight, of what we were
D
I delete all, put thoughts on hold

I try to feel you

(D Em G A)
(D Em G A)

Pyour eyes were bright

I felt the shine
G D
Miss the summers we used to hide
Bm
The city lights on this blue night
G D

You used to tell me that it?s alright
D Bm G
I chill my bones, out in the cold
G D

Walk the pathways we used to know
These quiet towns we'll leave behind
I try to feel you
