

## Phantom Of The Opera - All I Ask of You

```
Tom: C
                                                             And you, always beside me
  {Raoul}
                                                             To hold me and to hide me
  No more talk of darkness
                                                          {Raoul}
  Forget these wide-eyed fears
                                                                           Am7
                                                                                            Dm7
                                                             Then say you'll share with me one love, one lifetime
                     Dm7
  I'm here, nothing can harm you
                                                                               Dm7
                                                             Let me lead you from your solitude
  My words will warm and calm you
                                                                     Am7 Dm7
                                                             Say you'll need me with you, here beside you
                                                                  F
  Let me be your freedom
                                                             Anywhere you go, let me go too Dm7 G Dm7
  Let daylight dry your tears
                                                             Christine, that's all I ask of you
  I'm here, with you, beside you
                                                          {Christine}
  To guard you and to guide you
                                                                       Am7
                                                                                      Dm7
                                                             Say you'll share with me one love, one lifetime
                                                                                  Dm7 Dm7
{Christine}
                                                             C Am7
            Am7
                         Dm7
                                                             Say the word and I will follow you
  Say you'll love me every waking moment
                          Dm7
                                                          {Both}
  Turn my head with talk of summertime
                                                                     Am7
                                                             Share each day with me, each night, each morning
          Am7 Dm7
  Say you'll need me with you now and always
                                                          {Christine}
  Promise me that all you say is true
                                                             Say you love me
     G Dm7
  That's all I ask of you
                                                          {Raoul}
{Raoul}
                                                             You know I do
                                                          Let me me be your shelter
                                                             Love me, that's all I ask of you
  Let me be your light
      C7M
                                                          { Instrumental}
                                                            C - Am7 - Dm7 - G
C - Am7 - Dm7 - Dm7
  You're safe, no one will find you
     Bb
  Your fears are far behind you
                                                             C - Am7 - Dm7 - G
{Christine}
                                                          {Both}
                                                                       F
                                                             Anywhere you go, let me go too
  All I want is freedom
                                                             Dm7 G Dm7 C
  And a world with no more night
                                                             Love me, that's all I ask of you
