

Phantom Of The Opera - Wishing You Were Somehow Here Again

```
tom:
              Gm
          Gm
                          Eb
You were once my one companion
You were all that mattered
You were once a friend and father
    Cm
 Then my world was shattered
Wishing you were somehow here again
Wishing you were somehow near
     D Bm Em
Sometimes it seemed if I just dreamed
Bm Em D
Somehow you would be here
Wishing I could hear your voice again
Knowing that I never would
C D Bm
Dreaming of you won't help me to do Bm D
   All that you dreamed I could
                Fb
Passing bells and sculpted angels
Cold and monumental
              Fm
Seem, for you the wrong companions
```

```
You were warm and gentle
(G Am D)
Too many years
Fighting back tears
   Why can't the past just die?
Wishing you were somehow here again
Knowing we must say goodbye
Try to forgive!
Teach me to live!
Dm Gm
Give me the strength to try!
No more memories
    Fb
No more silent tears!
      Bb F Eb F7
No more gazing across the wasted years!
       Eb F
             Bh
             good bye
Help me say
    Eb F Bb
Help me say
             good bye!
