Phantom Planet - Do The Panic

Tom: A
Intro:

Verse: "listen to the song for the timing"

I guess I got in trouble too, nothing left for me to do,

   I guess I forgot to play it cool,

  I put on my walking shoes, walked out to the swimming pool,

  told the lifeguard that I think she's cool

I guess I forgot to play it cool, that's when

She started doing to panic, doing the panic, doing the

panic.....

Chorus: "listen to the song for the timing"
c'mon c'mon   it's set to lose control.......

 c'mon c'mon   turn on your radio.........

c'mon c'mon   you're gonna feel alright

c'mon c'mon   let's do the panic tonight!

Repeat intro

Do the same thing for the next verse and chorus. That's it.
This is a real fun song to play!
