

Phantom Planet - One Ray Of Sunlight

Tom: C

Goodness, sometimes things get bad
But I swear, I'm doing all I can
So try all you want to
I'm gonna try too

Chorus:

If I get one ray of sunlight to hold in my hand
Maybe we can be happy again
I'll try for one ray of sunlight to hold in my hand
Maybe we can be happy and then...

Verse 2:

Things don't go as I planned
But I swear, I'm doing all I can
So try all you want to
I'm gonna try too

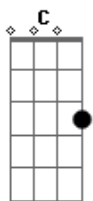

Chorus:

If I get one ray of sunlight to hold in my hand
Maybe we can be happy again
I'll try for one ray of sunlight to hold in my hand
And I guess if this isn't the end
Maybe we can be happy again

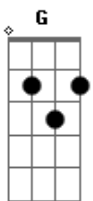

Try all you want to
I'm gonna try too

If I get one ray of sunlight to hold in my hand
Maybe we can be happy again
I'll try for one ray of sunlight to hold in my hand
And I hope that isn't the end
Maybe we can be happy again
Maybe we can be happy again
Maybe we can be happy again
Then Am and D till fade..
