Go on and pull yourself up. We climb, we climb, we climb, we climb.

The dark is plaguing our hearts. Pumping through us and collecting in our deepest parts.

Down there it's dripping like tar and it's stuck to your arms and it's sticking to you long!

E A E
The time is higher than high. Something lurking in your shadow that keeps trying to hide.

Oh no, you want it alive. To get out, to get out, to get out

of your insides.
