pheppy - October 2

```
                             tom:
                    G

            G                Am
Save my mind from myself
Bm  Eb    Em
Hold my breath
Am
Take me by the hand
D7                            G
You're the only one who understand
F#, E7

G                  Am
Save my mind from myself
Bm  Eb    Em
Hold my breath
Am
Take me by the hand
D7                       G
You're the only one who understand

( Gb  E7 )

G
Feel bad, go to bed (save my...)

Maybe wake up even worse, yeah

Suicide in my head (mind from myself)
                                    Am
Tryin' not to feeling like a curse, but no
          Bm      Eb       Em
No you don't had to cut me off  (hold my breath)
         Am
As you take me by the hand
D7                           G
You're the only one who'll understand

( F#, E7 )
```
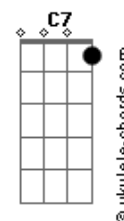

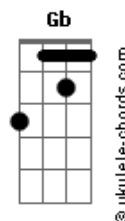

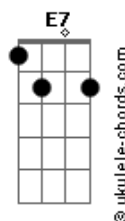

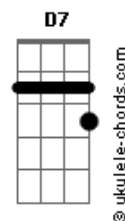

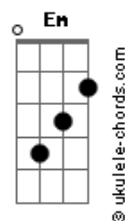

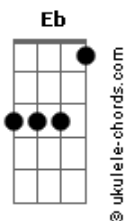

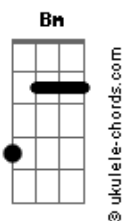

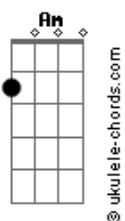

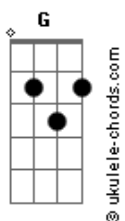

```
( G   Am   Bm   Eb )
( Em  Am   C7   G  )

G
May find another night

In which I lay and then I get high

Wanna die, stay alive
                                    Am
Better get away this place, but no
          Bm   Eb      Em
I can't leave you at all
          Am
As you take me by the hand
D7                             G   Gb
You're the only one who'll understand

G
May find another night

In which I lay and then I get high

Wanna die, stay alive
                                    Am
Better get away this place, but no

Wanna die, stay alive

Better get away this place, but
          Bm   Eb      Em
I can't leave you at all
Am
Take me by the hand
