

Phil Collins - Against All Odds

Tom: **B**

Abm **Gb**
How can I just let you walk away
B **Abm**
Just let you leave without a trace?
E **Gb** **Abm**
When I stand here taking every breath with you, ooh ooh
E **Gb**
You're the only one who really knew me at all

Abm **Gb**
How can you just walk away from me
B **E**
When all I can do is watch you leave?
Gb
Cause we've shared the laughter and the pain
Abm
And even shared the tears
E **Gb**
You're the only one who really knew me at all

B
So take a look at me now
Db
Well there's just an empty space
Abm **E**
And there's nothing left here to remind me
Gb
Just the memory of your face

B
Ooh, take a look at me now
Db
Well there's just an empty space
Abm **E**
And you coming back to me is against the odds
Gb
And that's what I've got to face
Abm **Gb**

I wish I could just make you turn around
B **E**
Turn around and see me cry
Gb
There's so much I need to say to you
Abm
So many reasons why
E **Gb**
You're the only one who really knew me at all

B
So take a look at me now
Db
Well there's just an empty space
Abm **E**
And there's nothing left here to remind me
Gb
Just the memory of your face

B
Now Take a look at me now
Db
Cause that's just an empty space
Abm **E**
But to wait for you is all I can do
Gb
And that's what I've got to face

B
Take a good look at me now
Db
Cause I'll still be standing here
Abm **E**
And you coming back to me is against all odds
Gb
It's the chance I've got to take

(**Gb**)
(**Abm** **Gb** **Abm** **Gb**)
Abm **Gb** **B**
Take a look at me now
