Do you remember ... ?

C Em  
There seemed no way to make up  
F G  
Cos it seems your mind was set  
C Em  
And the way you looked it told me  
F G  
That's a look I know I'll never forget

You could've come over to my side

Dm C  
You could've let me know  
F G  
You could've tried to see the distance between us  
F  
But it seemed too far for you to go

C Em F G C Em F G  
Tell me do you remember... ?

Em Am  
Though all of my life  
Em Am  
Is spite of all the pain  
Em Am  
You know how people are funny sometimes  
Dm  
Cos they just can't wait  
G  
To get hurt again

C Em F G C Em F G  
Tell me do you remember... ?

There things we won't recall  
Feelings we will never find  
It's taken so long to see it  
Cos we never seemed to have the time

There was always something more important to do  
More important to say  
And "I love you", wasn't one of those things  
But now it's too late

Do you remember... ?
