

Phil Collins - Everything that I am

```
Tom: Db
Is this my past here before \operatorname{me}
Is this my story unfolding?
It's all here to discover
       Dm
Everything that I am
Can this be what I've been seeking?
All my life I've been waiting for this
And now these memories
    Em
Will they make me see more?
Ooh I want to know where I belong
                Ab Dbm
          В
I want to know where I came from
          Gb
I want to know the reason why I'm here
  Α
The way I am
Feeling the things I feel
Is this my family?
Can it really be them that I see?
My father and mother
And in their arms can it really be me
All these emotions
I can barely control
Cause the family I had
Is not the family I know?
```

```
Ebm Db B
Ooh and I got to know where I belong
         Db
I got to know where I came from
        Ab
I got to know the reason why I'm here
The way I am
  Gb
Feeling the things I feel
     Eb
These spirits calling me
      Bb Db
Familiar voices haunting
Fm Eb Db
Disappearing taunting me
Ab Bb
            Eb
This is the choice I must make
Cause I know where I belong
        D
I know where I, I came from
        Α7
I know the reason why
 D
I must decide
And leave here
 G Am
The man I am inside
The future is clear for me to see
 D B Em
To be the man I'm meant to be
       Α7
Like my father with my head up high
Standing tall
And proud of all
That I am
I'm a man!
