

# Phil Collins - Follow You, Follow Me

Tom: G  
Intro: G Am C C

Stay with me my love I hope you'll always be  
Right here by my side if ever I needed you oh my love away  
In your arms I feel so safe and so secure  
Every day is such a perfect day to spend alone with  
you

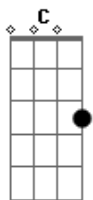

I will follow you if you follow me  
All the days and nights that we know will be  
I will stay with you if you stay with me

Just one single tear in each passing year

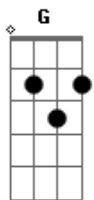

With the dark oh I see so very clearly now  
All my fears are drifting by me so slowly now fading  
I can say the night is long but you are here  
Close at hand I'm better for the smile you give and  
while I live

I will follow you if you follow me  
All the days and nights that we know will be  
I will stay with you if you stay with me  
Just one single tear in each passing year I'll be
