**C** **G**  
So I find out what I can  
**D** **A**  
Theres a fire thats been burning  
**C** **G**  
Right outside my door  
**D** **A**  
I cant see but I feel it  
**C** **G**  
And it helps to keep me warm  
**Em** **G** **D**  
So i, I dont mind

No i, I dont mind

I cant come out to find you  
**C** **G**  
I dont like to go outside  
**D** **A**  
They cant turn off my feelings  
**C** **G**  
Like theyre turning off a light  
**Em** **G** **D**  
But i, I dont mind  
**Em** **G** **D**  
No i, I dont mind

Cos I dont remember

**D** **A** **C** **G**  
Take that look of worry, mines an ordinary life  
**D** **A**  
Working when its daylight  
**C** **G**  
And sleeping when its night  
**D** **A**  
Ive got no far horizons  
**C** **G**  
I dont wish upon a star  
**D** **A**  
They dont think that I listen  
**C** **G**  
Oh but I know who they are  
**Em** **G** **D**  
And i, I dont mind  
**Em** **G** **D**  
No i, I dont mind  
**Em** **G** **D**  
Oh i, I dont mind  
**Em** **G** **D**  
No i, I dont mind

Chorus:

**D** **A** **C** **G**  
So take, take me home  
**D**  
Cos I dont remember  
**D** **A** **C** **G**  
So take, take me home  
**D**  
Cos I dont remember

**D** **A** **C** **G**  
So take, take me home  
**D**  
Cos I dont remember

**D** **A** **C** **G** **A7sus4**  
Take, take me home, oh lord  
**Em** **G** **C**  
Cos Ive been a prisoner all my life
