

# Phil Collins - Who Said I Would

Tom: **A**

Main groove

(**F Bb F C**)

I know she says she wants me

I hear it every day

And I know she know it keeps me

Well there ain't no other way

.  
.....**Db**.....**Eb**

But she's got a heart must be made of stone

.  
.....**Db**

Cos when I tell her

.  
.....**Eb**  
that she'll miss me when I'm gone  
She says "Who said I would?"

.  
She knows it ain't easy for a simple boy like me  
She fills me full of loving  
Oh then she sets me free  
But she's got a heart must be made of stone  
Cos when I tell her that she'll miss me when I'm gone  
She says  
Who said I would, tell me, who said I would  
Who said I would, who said I would

.  
**F**  
**F9.F..Eb**  
I'm not the only one but I do fine  
I suit her purpose and I'm just her kind

.  
**G**  
**G9.G.F**  
I don't own her and I never could  
Don't think I do, don't think I should  
Tell me  
Who said I would, who said I would  
But she's got a heart must be made of stone  
And when I tell her that she'll miss me when I'm gone  
You're not the only one but you do fine  
You suit my purpose and you're just my kind  
I don't own me and you never could  
Don't think you do, don't think you should  
Who said I would (who said I would)  
Now she knows when she calls me  
I'll come running every time  
And she knows she gets me hot  
But she don't know it's her body never mine  
And she's got a heart must be made of stone  
Cos when I tell her that she'll miss me when I'm gone  
She says  
Who said I would, tell me, who said I would  
Who said I would, who said I would

.  
Doesn't Anybody Stay Together Anymore  
**Eb**.....**Ab**.....**Db**.....**Eb**  
You keep on walking so you don't fall down

.  
.....**Ab**.....**Db**.....**Ab**.....**Db**  
It's the same old story  
You keep on hiding so you can't be found  
It's the same old story

.  
.....**Bbm**.....**Eb**.....**Ab**.....**Db**  
Oh but I know you, you're the one who ran

.  
**Bbm**.....**Eb**.....**Ab**.....**Db**..**Ab**  
You know why, it's because you can, oh

.  
**Bbm**.....**Eb**.....**Ab**.....**Db**  
It's alright, cos I don't mind

.  
....**Bbm**.....**Eb**.....**Ab**.....**Eb**..**Fm**  
I'm just trying to help, but I wonder why

.  
**Eb**.....**Fm**.....**Eb**.....**Fm**  
Doesn't anybody stay together anymore  
I wonder why, doesn't anybody stay together anymore

My friends keep falling and they can't get up  
It's the same old story  
Well one says white and the other one black  
It's the same old story  
And I don't know why you keep emotions walled up  
Your heart's on your sleeve,  
but your sleeve is rolled up  
But it's alright, cos I don't mind  
I'm just trying to help, but I wonder why  
Doesn't anybody stay together anymore  
I wonder why, doesn't anybody stay together anymore

.  
**Db**.....**Eb**.....**Ab**..**Eb**..**Fm**  
Things can change, from a misunderstanding

.  
**Bbm**....**Ab**..**Db**..**Eb**..**Cb**..**Db**  
Nobody talks, nobody hears, oh oh oh

.  
**Bbm**  
Makes me wonder  
why, doesn't anybody stay together anymore  
Oh I wonder why, doesn't anybody stay together anymore  
You keep on looking for that higher ground  
It's the same old story  
Your glass is empty and the chips are down  
It's the same old story  
But I don't know why, your emotions walled up  
Your heart's on your sleeve, but your sleeve is rolled up  
But it's alright, cos I don't mind  
I'm just trying to help, but I wonder why  
Doesn't anybody stay together anymore  
I wonder why, doesn't anybody stay together anymore  
Oh I wonder why, doesn't anybody stay together anymore

Inside Out  
**C**.....**Bbmaj9**  
Inside out,  
. **Gm**....**F**....**C**.....**Bbmaj9**  
ooh you got me inside out  
Oh inside out, oh inside out  
. **C**.....**Bbmaj9**.....**Gm**.....**F**  
Now everybody keeps on telling me how to be

.  
(similar)  
And everybody tells me do what they say  
Oh I'll help myself it's up to me and no-one else  
But till I'm ready just keep out of my way  
Inside out, ooh you got me inside out  
Oh inside out, oh inside out  
Now everybody's got me running round, up and down  
And here I am going out of my mind  
But I won't lose sight of all the, the things I'm looking for  
They're coming to me and I'm taking what's mine  
Inside out, ooh you got me inside out  
Oh inside out, oh inside out

.  
**F**...**C**...**F**..**Gm**  
I'll play the game  
We'll make the same mistakes  
It's all the same  
If we can give and take

.  
**Gm**.....**Dm**....**Am**..**Bbmaj9**  
Hold on, hold on, ooh ooh  
Hold on, hold on, ooh  
Inside out, ooh you got me inside out  
Oh inside out, oh inside out  
All of my life I've been searching and hanging on  
Turning a corner, never know what I'd find  
But now I'm back again like I never went away  
Ooh let me in I'm through with wasting my time  
Inside out, ooh you got me inside out  
Oh inside out, oh inside out  
Oh inside out, ooh you got me inside out  
Oh inside out, oh inside out

This Must Be Love  
 Dm.....Am..Gm.....Am  
 It must be love, I'm feeling  
 .  
 (similar)  
 This must be love  
 Oh this must be love, I'm feeling  
 .  
 Dm.....Am..Gm  
 This must be love  
 .  
 F.....G  
 Well I wait in every day,  
 .  
 Bb.....F.....C..Dm  
 just in case, you decide to call  
 .  
 .....G  
 And I can hardly wait,  
 .  
 Gm.....Am.....A  
 'cos I never thought time could pass so slowly  
 .  
 It must be love, I'm feeling  
 This must be love  
 Oh this must be love, I'm feeling  
 This must be love  
 .  
 Happiness is something I never thought I'd feel again,  
 but now I know it's you that I've been looking for  
 And day by day more and more  
 .  
 Gm.....F  
 I know what you think, you've heard it before  
 .  
 Gm.....F  
 Don't tell me I know  
 .  
 Gm.....Am  
 But this feeling inside my heart,  
 .  
 .....E  
 You know I'm never letting go  
 .  
 A...A  
 'Cos I think that...  
 .  
 It must be love, I'm feeling  
 This must be love  
 Oh this must be love, I'm feeling  
 This must be love  
 .  
 Words can only say so much  
 It's hard to express  
 The things you do to me  
 You're everything I could ever dreamed you'd be  
 .  
 This must be love, I'm feeling  
 This must be love  
 Oh this must be love, I'm feeling  
 This must be love...  
 I Cannot Believe It's True  
 C.....F.....Em..Dm  
 When I opened your letter yesterday  
 .  
 C.....Dm  
 I could not believe my eyes  
 .  
 (similar)  
 'Cos I've already given all I have to give  
 And I think it must have slipped your mind  
 But I remember not so long ago  
 I gave it all,  
 .  
 .....F  
 it's gone  
 .  
 .....G  
 And I gave it all to you  
 .  
 .....Em  
 Now I'm living on borrowed time,  
 .  
 Am..G....F#m-5  
 but it's mine  
 Oh, d'you hear me?  
 .

F.....Em  
 I cannot believe it's true  
 .  
 Dm.....F.....Em  
 Are you really doing the things you do.  
 .  
 Dm.F.....Em..Dm....C  
 No I cannot believe it's you, really you  
 .  
 Oh these people I'm talking to don't understand  
 They don't seem to realize  
 They're listening but they're not hearing me  
 They're being too cruel to be kind  
 Any kind of feeling that I had is gone  
 'Cos I gave it all, it's gone  
 And I gave it all to you  
 Now I'm living on borrowed time, but it's mine  
 Oh, d'you hear me?  
 I cannot believe it's true  
 Are you really doing the things you do.  
 No I cannot believe it's you, really you  
 .  
 Bb.....C.....Dm  
 Over and over I keep on telling myself  
 Over and over I hope I'm gonna make up  
 Over and over I know it's really happening  
 .  
 .....Bb.....C.....G  
 And there's nothing that I can say  
 .  
 Bb.....C  
 'Cos nothing can change  
 .  
 .....Dm  
 all the things that you've done to me  
 .  
 Bb.....C.....G  
 Nothing can make me stay  
 Oh, 'cos you know I cannot believe it's true  
 Are you really doing the things you do  
 No I cannot believe it's you, really you  
 .  
 Eb.....F  
 I know it's a crying shame,  
 .  
 .....Ab.....Bb  
 it's all the same to you  
 It seems all so well laid out  
 but I cannot get through  
 .  
 C.....F  
 Never meant it to show  
 .  
 .....C.....F  
 It started happening, that's all you know.  
 Oh, I gave it all to you  
 Now I'm living on borrowed time, but it's mine  
 Oh, d'you hear me?  
 I cannot believe it's true  
 Are you really doing the things you do  
 No I cannot believe it's you, really you  
 Over and over I keep on telling myself  
 Over and over I Hope I'm gonna make up  
 But over and over I know it's really happening  
 And there's nothing that I can say  
 'Cos nothing can change all the things that you do to me  
 Nothing can make me stay  
 'Cos you know I cannot believe it's true  
 Are you really doing the things you do  
 No I cannot believe it's you, really you

Do You Know, Do You Care

Cm  
 You said you would,  
 you didn't and I wanna know why  
 .  
 F...Cm  
 And don't make no excuses  
 .  
 Cm  
 You promised, you promised,  
 you better explain  
 Tho' I don't know what the use is  
 .  
 Cm..Cm

You said you could, you couldn't,  
now why did you lie  
You made it look so easy  
You did it, why do it, what was your point?  
. **Cm**  
Laughing while you tease me  
. **Bb**.....**F**  
Oh, do you know and do you care?  
I said I did, I shouldn't cos the magic will go  
It happened once before  
You'll see it, you'll steal it and take it away  
And then come back for more  
Don't say you weren't, you were 'cos I saw you myself  
It's too late for your reason  
You're lying, you're lying, you've done it this time  
I'm sick of all the cheating  
Oh, well do you know and do you care?  
. **Fm**....**Gm**  
'Cos I watch you  
. **Fm**....**Gm**..**Cm**.....**Bb**  
oo every day I watch you pass me by  
. **Fm**..**Gm**  
I'll get you  
. **Fm**....**Gm**  
Yes in the end I'll get you  
. **Cm**..**Bb**..**Cm**  
Just watch me try  
Oh you make it hard to be hard but I'm trying my best  
Cos down inside I'm burnin'  
You want it, you get it, now take it and run  
I'll hide how much it's hurtin'  
Oh, well do you know and do you care?  
Oh, well do you know and do you care?  
  
It Don't Matter To Me  
  
G.....D.....C..D.....G...**D**  
Well it don't matter to me what you say,  
. **C**.....**D**  
what you say  
. (similar)  
And it don't matter to me  
what you're doing alright, alright.  
Because I've heard it all so many times before  
Just what you're saying and  
I don't really want to hear it all no more, no more  
Don't wanna hear it no more  
. **C**....**Em**...**D**.....**C**  
Cos there's no way that you can run  
. **Em**..**D**.....**C**....**Em**  
Cos I'm gonna find you  
. **D C Em**  
. **D**.....**C**.....**Em**...**D**.....**C**  
And there's nobody that you can turn to  
. **Em**..**D**.....**C**.....**Em**..**D**.....**C**....**Em**  
cos I'll be behind you just to remind you  
That it don't matter to me what you say, what you say  
Well it didn't matter to me what you're doing alright, alright  
It seems to me it's been too easy for you for too long  
So you'd better climb down before you fall and hurt your  
pride, your  
pride  
You're gonna hurt your pride  
Cos there's nowhere that you can run to  
Cos I'm gonna find you  
And there's no place that you can stay  
Cos I'll be behind you just to remind you  
Well it don't matter to me what you do  
Well it don't matter to me, I'm talking to you, talking to you  
Well it don't matter to me believe me  
Well it don't matter to me...

.  
Thru These Walls  
**C**  
I can hear thru' these walls  
. **Bm**.....  
I can hear it when they're foolin' around  
I can hear thru' these walls  
And I hear ev'ry sign, ev'ry sound  
I can hear thru' these walls  
In the dark with the shades pulled down  
. **Em**.....**D**  
Ev'ry word that they say  
. **G**.....**A**  
Ev'ry noise they make feels it's coming my way  
. **G7**  
My fav'rite moment  
Putting the glass up next to the wall  
Imagination  
Tho' I see nothing, I hear it all  
Putting my sign up  
Do not disturb me, speak or shout,  
. **Bm**....**Gbm**  
inside out  
. **Bm**.....**Gbm**  
Oh mind my clothes, they're all laid out  
I can see thru' my windows  
I can see the girls and the boys  
I can see thru' my windows  
And I can imagine the noise  
I can see thru' my windows  
I can see them playing with toys  
Oh I hope it won't end  
If I promise not to touch, just be a friend  
Life is so lonely  
I don't get high off just being me  
I like pretending  
Wanting to touch them, wanting to see  
It's only normal  
Creeping behind you, now don't shout, 'cos it's alright  
They keep the windows locked and the door shut tight  
. **Am**  
Oo I'm feeling like I'm locked in a cage  
. **G**.....  
No way in, no way out,  
. **Am**.....  
and it gets so lonely  
**Am** I really asking a lot  
. **G**.....  
Just to reach out and touch somebody  
. **Em**.....**D**  
'Cos when I look thru' my windows or open my door  
. **A**.....  
I can feel it all around me  
I can hear thru' these walls  
I can hear it when they're foolin' around  
I can hear thru' these walls  
And I hear ev'ry sight, ev'ry sound  
I can hear thru' these walls  
In the dark with the shades pulled down  
Ev'ry word that they say  
Ev'ry noise they make feels it's coming my way  
. **Am**.....  
Ah yeah...  
  
Don't Let Him Steel Your Heart Away  
G.....**G**  
You were lonely and you needed a friend  
. **G7**....  
And he was there  
. **C**.....**G**  
at the right time with the right smile

.  
**G**  
Just a shoulder to lean on  
.  
G7.....**C**  
Someone to tell you it'll all work out alright  
.  
D.....**G**  
Don't let him steal your heart away  
.  
C.....D.....**G**  
No, don't let him steal your heart away  
.  
|| **G** | **G7** | **C** | **C**  
.  
D.....D.....**G**  
Don't let him steal your heart away  
.  
C.....D.....**G**  
No, don't let him steal your heart away  
You can look at him the way you did me  
And hold him close say you're never letting go  
But any fool can see you're fooling yourself  
But you ain't fooling me  
So don't let him steal your heart away  
No, don't let him steal your heart away  
.  
C.....D.....**G**  
And don't pack my suitcase, I'll be back  
And don't take my pictures off a' the wall  
Oh, did you hear me?  
.  
C.....D.....**G**.....**Am**  
Don't let him change a thing 'cos I'll be back  
.  
**Dm**  
Just tell him to pack his things  
.  
.....**G**  
and get out of your life  
.  
**Dm**  
And just give me one more chance  
.  
.....**G**  
I'll show you I'm right, I'm right  
'Cos I've been thinking  
and I know it was me leaving you lonely  
But hoping you could be strong  
But could you look at me straight  
Tell me what else can I do but say I was wrong?  
So don't let him steal your heart away  
No, don't let him steal your heart away  
Well he's gonna try to make it work for you  
Make you think your whole life's been leading to this  
But whatever you do  
Think about me and don't be fooled by his kiss  
And don't let him steal your heart away  
Please, don't let him steal your heart away  
And don't pack my suitcase, I'll be back  
And don't take my pictures off a' your wall  
Oh, did you hear me?  
Don't let him change a thing 'cos I'll be back  
Just tell him to pack his things  
and get out of your life  
And just give me one more chance  
I'll show you I'm right  
You know I'm right  
You were lonely and you needed a friend  
And he was there  
at the right time with the right smile  
Just a shoulder to lean on  
Someone to say don't you worry it'll all be alright  
But he's no good for you  
He'll make you think your whole life's been leading to this  
And whatever you do  
Think about me, oh, and don't be fooled by his kiss

Only You Know And I Know  
Main groove :  
(**Db Ab Db Eb** )  
We know you really only wanna hear  
The things we like to say  
But if I said to you please don't do it  
You do it anyway  
Sometimes I know, we gotta be cruel

Be cruel to be kind  
When I ask you, what you see in me  
You say our love is blind  
.  
.....**Abm..Db....Abm..Db**  
Cos only you know and I know  
.  
....**Abm.....Db..Abm..Db**  
The things we mean to say  
Only you know and I know  
The things we mean to say  
Whenever I think I know you better  
Better than I know myself  
I open up and give you everything  
Then you say, "O.K. what else?"  
And when I run away you always cry  
You always over react  
But I don't know if you know how you really feel  
But you better know before I get back  
Cos only you know and I know  
The things we mean to say  
Only you know and I know  
The things we mean to say  
.  
**Gb**  
.  
**Gb.....Db**  
Just try to remember  
.  
**Gb.....Gb.....Gb**  
That I'm the one you love  
.  
**Cb.....Gb...Gb.....Db**  
You told me, ooh try to remember  
.  
.....**Gb.....Gb.....Gb**  
I'm the one you're always thinking of  
.  
**Cb.....Gb...Gb.....Db**  
You told me, please try to remember  
.  
**Gb.....Gb..Gb**  
Before I walk away  
**Cb.....Gb**  
Remember  
.  
**Gb.....Db**  
It's not good enough telling me  
.  
....**Ebm.....Db....Cb**  
the way it was yesterday  
Cos only you know and I know  
The things we mean to say  
Only you know and I know  
The things we mean to say  
Only you know and I know  
The things we mean to say, yes  
Only you know and I know  
The things we mean to say  
Only you know and I know...

Long Long Way To Go  
Verses |: **Dm** | **C** :|  
While I sit here trying to think of things to say  
Someone lies bleeding in a field somewhere  
.  
**Bb.....C.....Bb7.....C**  
So you can see we've still got a long long way to go  
.  
**Bb.....C.....C**  
I've seen all I wanna see today  
While I sit here trying to move you anyway I can  
Someone's son lies dead in a gutter somewhere  
And it would seem that we've got a long long way to go  
But I can't take it anymore  
.  
F.....**Bb7**  
Turn it off if you want to  
.  
F.....**Bb7**  
Switch it off it will go away  
.  
F.....**Bb7**  
Turn it off if you want to  
.  
F.....**Bb...C..Dm.....C**

Switch it off or look away  
While I sit and we talk and talk and we talk some more  
Someone's loved one's heart stops beating in a street  
somewhere  
So it would seem we've still got a long long way to go, I know  
I've heard all I wanna hear today  
Turn it off if you want to (turn it off if you want to)  
Switch it off it will go away (switch it off it will go away)  
Turn it off if you want to (turn it off if you want to)  
Switch it off or look away (switch it off or look away)  
Switch it off  
Turn it off

I Don't Wanna Know

Intro: **Bb**

Eb.....Bb..**Ab**

It's over,

.

Eb.....Ab.Bb..**Eb**

oh yes it's all over

.

Eb.....Ab..Gm..Cm.....Gm...C..**Gm**

And it's been a long time coming

.

Cm.....Cm..**Fm**

Some say it's too long

.

Cm..Fm..**Cm**

oh, oh

.

She said it, and now she'll regret it

But if she'd ask anyone

I know they'll tell her to her face, that it's too late

.

(Bass **Eb** )

Eb.....Bb....Eb...Ab...**Bb**

Cos I don't wanna know

.

Eb.....Bb....Eb...Ab...**Bb**

No, I don't wanna know

.

.....(bass **C** )

.....Cm..Cm.....Cm....**Ab**

She can cry all she wants

.

.....(bass **Db** )

Bb.....Db....Eb.....Db..Ab..**Bb**

She's not gonna bring me back, no no

.

I don't wanna know

I don't wanna know

She can try all she wants

It's not gonna get me back, oh oh, no no

They warned me

Oh yes they all warned me

They told me, don't lose your heart to her

She'll never give it back, no no

Oh it's too late

She made a big mistake

It wouldn't be the first one anyway

Tell me how many more, no no no

No I don't wanna know (what she said)

No I don't wanna know (what she said)

She can cry all she wants

She's not gonna bring me back, no no

I don't wanna know (what she said)

No I don't wanna know (what she said)

She can try all she wants

It's not gonna get me back, oh oh, no no

It's over

Oh oh it's all over

And it's been a long time coming

Some say it's too long, oh oh

They warned me

Yes they all warned me

They told me, now don't lose your head to her

She'll never give it back, no no, no no

I don't wanna know (what she said)

No I don't wanna know (what she said)

She can cry all she wants

She's not gonna get me back, no no

I don't wanna know (what she said)

No I don't wanna know (what she said)

She can try all she wants

She's not gonna bring me back, no no...

Don't Lose My Number

Cm.....**Gm**

They came at night leaving fear behind

.

Bb.....**Ab**

Shadows all on the ground

.

(similar)

Nobody knew where to find him

No evidence was found

"I'm never coming back"

They heard him cry

And I believe him

.

Cm.....**Gm**

Well he never meant to do anything wrong

.

Fm.....**Ab**.....**Bb**

It's gonna get worse if he waits too long

.

Eb.....Fm.....**Db**

Billy, Billy don't you lose my number

.

Ab.....**Cm**

Cos you're not anywhere

.

.....**Bb**

That I can find you

.

**Db**

Oh now

.

Billy, Billy don't you lose my number

Cos you're not anywhere that I can find you, oh no

.

Searching through the day and into the night

They wouldn't stop till they found him

They didn't know him and they didn't understand

They never asked him why

"Get out of my way"

They heard him shout

Then a blinding light

Ooh all I could see was him running down the street

Out of the shadows and into the night

Now Billy, Billy don't you lose my number

Cos you're not anywhere

That I can find you, oh

Now Billy, Billy don't you lose my number

Cos you're not anywhere that I can find you, oh

.

Gm.....**F**

Don't give up

.

.....Eb.....**F**

Keep running, keep hiding

Don't give up

Billy, if you know you're right

Don't give up

You know that I am on your side

Don't give up oh Billy,

.

**F**

you better, you better,

.

.....**G**

you better run for your life

Now Billy, Billy don't you lose my number

Cos you're not anywhere

That I can find you, oh

Now Billy, Billy don't you lose my number

Cos you're not anywhere that I can find you, oh

They came at night leaving fear behind

Shadows were on the ground

Nobody knew where to find him

No evidence was found

"I'm never coming back"

They heard him cry

And I believe him

He never meant to do anything wrong

It's gonna get worse if he waits too long

Now Billy, Billy don't you lose my number

Cos you're not anywhere

That I can find you, oh

Now Billy, Billy don't you lose my number

Cos you're not anywhere that I can find you, oh
