

# Phil Collins - You Can't Hurry Love

Tom: B

I need love, love to ease my mind  
and I need to find time, someone to call mine.  
My Mama said:

You can't hurry love no you just have to wait.  
She said: Love don't come easy, but it's a game of give and take.  
You can't hurry love. No you'll just have to wait.  
Just trust on a good time, no matter how long it takes.

How many heartaches must I stand,  
before I find the love to let me live again.  
Right now the only thing, that keeps me hangin' on,  
when I feel my strength, oh it's almost gone, I remember Mama said:

You can't hurry love no you just have to wait.  
She said: Love don't come easy, but it's a game of give and take.  
How long must I wait? How much more must I take,  
before loneliness will cause my heart, heart to break?

No I can't bear to live my life alone.  
I grow impatient for a love to call my own.  
But when I feel that I, I can't go on.  
Well these Precious words keep me hangin' on, I remember Mama said:

You can't hurry love no you just have to wait.  
She said: Love don't come easy, but it's a game of give and take.  
You can't hurry love. No you'll just have to wait.  
Just trust on a good time, no matter how long it takes.

Now break!

Now love, love don't come easy,  
but I keep on waiting, anticipating  
for that soft voice to talk to me at night,  
for some tender arms to hold me tight.  
I keep waiting, oh 'till that say,  
but it ain't easy no, you know it ain't easy- My Mama said:

You can't hurry love no you just have to wait.  
She said: Love don't come easy, but it's a game of give and

take.

You can't hurry love. No you'll just have to wait.  
Just trust on a good time, no matter how long it takes

Can't Stop Loving You  
Intro: C G Am F

so you're leaving  
in the morning  
on the early train  
I could say everything's alright  
I could pretend and say good bye  
got your ticket  
got your suitcase  
got your leaving smile  
I could say that's the way it goes  
I could pretend and you won't know  
that I was lying  
cause I can't stop loving you  
No I can't stop loving you  
no, I won't stop loving you  
why should I\_\_\_\_  
took a taxi  
to the station  
not a word was said  
I saw you walk across the road  
maybe the last time, I don't know

feeling humble  
I heard a rumble  
on the railway track  
and when I hear the whistle blow  
I walk away and you won't know  
Then I'll be crying

cause I can't stop loving you  
No I can't stop loving you  
no, I won't stop loving you  
why should I\_\_\_\_  
Why should I even try? I'll always be here by your side  
Why, why, why? I never want it to say  
Why, why, even try?

I'll always be here if you change, change your mind

You're down on the ground, or so you say  
You'd sell the hole in your pocket, if you could find a way  
Don't ask me how I know, you don't wanna hear  
It's been a long hard road, and the end is getting near.  
You never thought you'd ever get the chance  
You never thought your break would come along  
If you tell me what you want, I'll find the key  
Just reach out and touch it's all yours  
If you hang in...

The best things in life are free

But you want to have everything

Well you're going to have to beg if you want it all.

You're gonna have to beg  
So hang in long enough, you'll do it  
Hang in long enough  
They'll let you out, then pull you in  
Playing hell with your emotions,  
You'll feel like giving in.  
So just hang in long enough...

That's Just The Way It Is  
F.....**C.....Bb**

Young men come and young men go  
But life goes on just the same

Why do we keep holding on  
I don't know why

Gm.....**Eb**  
You see the dying, you feel the pain

.  
Bb.....**Cm7**  
What have you got to say  
If we agree that we can disagree  
We could stop all of this today  
It's been your life for as long as you can remember  
But you cannot fight no more  
You must want to look your son in the eyes  
When he asks you what you did it for  
'Cos all day long he was fighting for you  
And he didn't even know your name  
Young men come and young men go  
But life goes on just the same  
I don't know why...

.  
Db.....Ab....Eb.....Db  
No matter what you say, it never gets any better  
No matter what you do, we never see any change  
People living without rights  
Without their dignity  
How loud does one man have to shout  
To earn his right to be free  
You can keep your toy soldiers  
To segregate the black and white  
But when the dust settles  
And the blood stops running  
How do you sleep at night?  
No matter what you say...  
What makes you so high and mighty

What makes you so qualified  
You can sit there and say  
How many have their freedom  
But how many more have died  
You decide to sit in judgement  
Trying to play God yourself  
Someday soon the buck is gonna stop  
Stop with you and noone else  
No matter...

Reaching past the goal in front of me  
While what's important just slips away  
It doesn't come back but I'll be looking  
All of my life  
Set 'em up...

All of my life, there have been regrets  
That I didn't do all I could  
Making records upstairs, while he watched TV  
I didn't spend the time I should  
It's a memory I will live with  
All of my life.

Somewhere down the road, you're gonna find a place  
It seems so far, but it never is  
. **Fm7**  
You won't need to stay,  
. **Gm7**.....**Fm7**  
but you might lose your strength on the way  
Sometimes you may feel you're the only one  
Cos all the things you thought were safe, now they're gone  
But you won't be alone, I'll be here to carry you along  
. **Gm7**.....**Fm7**  
Watching you 'til all your work is done  
When you find your heart, you'd better run with it  
Cos when she comes along, she could be breaking it  
No there's nothing wrong, you're learning to be strong  
Don't look back  
She may soon be gone, no don't look back  
She's not the only one, remember that  
If your heart is beating fast, then you know she's right  
If you don't know what to say, well, that's all right  
You don't know what to do?  
Remember she is just as scared as you  
Don't be shy, even when it hurts to say  
Remember, you're gonna get hurt someday, anyway  
Then you must lift your head, keep it there  
Remember what I said  
I'll always be with you don't forget  
Just look over your shoulder I'll be there.  
If you look behind you, I will be there.

. **C**.....**Am**  
So find a way to my heart,  
. **F7M**.....**G**.....**C**  
and I will, I will follow you  
. **Am**.....**F7M**  
This journey's not easy for you, I know  
. **Am7**.....**F7M**  
If your footsteps get too faint to hear, I'll go  
. **G**.....**F**  
Cos you know, questions are never that easy  
. **G**.....**F**  
And never the same  
. **G**.....**F**  
You have the answer believe me  
. **G**.....**F**  
If you have the faith  
Find a way to my heart...  
Time may come, and time may go, I know  
If you should call out for me, I'll go  
But you know, there is a code to be broken

I wrap it around  
Without a word being spoken  
Without a sound  
. **Dm7**.....**Em7**  
There's a reason I hide my heart  
. **F**.....**Em7**  
Out of sight out of mind  
. **Dm7**.....**Em7**  
And when I find out just who you are  
. **F**.....**G**  
The door will be open for you to  
. **G**  
Find a way to my heart...  
  
Like China

. **My mom and daddy both say**  
I must be crazy to be this infatuated  
But I know you know  
We got something special never felt before  
You get me going just looking at you  
And the feeling's not hard to recognise so  
Alright I'll come out in the open with it  
Will you walk out with me.  
. **Dm**.....**Am**  
Cos you're the first girl I've ever loved  
. **Em**.....**F**  
Tell me do you feel the same way  
. **Am**.....**Em**.....**F**  
Well I'll show you I'm not like all the rest  
. **Bb**.....**Am**  
Cos I know who I am  
. **Am**  
Your skin is smooth as silk  
. **G**  
and your eyes like stars  
. **Am**.....**Em**  
You're just like a picture book standing there  
. **Am**  
But I can't go on No, I can't go on  
. **G**.....**F**  
thinking you don't feel the same way that I do  
. **Am**.....**G**.....**Am**  
I'll be so careful I'll hold you like china  
. **G**.....**Am**  
I'll promise not to hurt you I'll hold you like china  
. **G**.....**Am**  
You won't feel nothing, I'll hold you like china  
. **G**.....**D**.....**G**  
'Cos I know it's your first time  
Your mum and dad don't like me  
And they tell me every time I call around to see you  
I don't know why  
Cos I always straighten my tie and comb my hair  
I know your brother thinks that  
I'm a limp wristed wimp from the other side of town  
I know he's got me wrong  
Because I'm really not like that, I'll tell you why  
You're the first girl I've ever loved  
Tell me do you feel the same way  
Well I'll show you I'm not like all the rest  
'Cos I know who I am  
I remember the very first time I held your hand  
And that was the last time you were so close to me  
But I can't go on

No, I can't go on thinking you don't feel the same way as I do  
 I'll be so careful I'll hold you like china  
 I'll promise not to hurt you I'll hold you like china  
 You won't feel nothing, I'll hold you like china  
 'Cos I know it's your first time

C..G7..F.....C.....G7  
 I know you know and now I want to,

 I know you know and now I want them all to see...

 Better forget it, or you'll regret it  
 Bbm7.....Cm7.....Fm7  
 No you'll never change her, so leave her, leave her  
 Get out quick, cos seeing is believing.  
 Bbm7.....Cm7..Fm7.....Gbmaj13-5  
 It's the only way you'll ever know  
 she's an easy lover....  
 You're the one who wants to hold her, hold her and control her  
 better forget it, you'll never get it  
 She'll say that there's no other until she finds another  
 better forget it, or you'll regret it
