

# Phil Headway - 999

tom:  
E

I was sitting around E

Doing nothing, like a hound

And then I realized there's nothing I have not already found A7  
On the ground

I know I wanna jump into the second round E

Because I'm bound to make a sound that goes around a certain B7 A7  
crowd

But hand me up E

The clown is loud B7

I gave up on the potato E  
A little down I drove my car

And then I realized

I was in front of a bar

I squealed the tire, I lit the fire A7

I left the car behind E

I crossed the street! Oh chit! B7

Now I'm a myth! Way to go! A7

The fish followed the flow E B7

I have nowhere to go E

I take a plane, mah bro

I wanna rock'n'roll

And you don't know what I'm talking about A7

I am providing the 999 E

Where the magic goes around me B7 A7 E

Oh! Nine is the only number showing on my clocks from now on B7

And I got a really great idea E

I'm outta here, bye bye, I see yah  
Maple neck

Yum, so delicious

I wanna play E

Yo, I broke my guitar

To build a plane, mah lucky star

To get the hell out of here A7

But my idea didn't work

So I called the nurse E

'Cause the needle takes away my fear B7

It brings me down

Out of town A7

Tho I lie E B7

To be a brand new guy

Yeah, I bump into a seagull E

I rub a navel, I hit an ego

Meet some people, have a giggle

Now I'm free to go E

I get very angry

When I'm away

From the evil of my ego

Can I recreate an era? A7

I play the beagle, is that illegal

To go back to the medieval E

For a meatball? B7 A7

Na, na, na na, na, na na, na, na na, na, na na now E

Just for a meatball B7

Na na now

Na na now

Na na noooooom E

I have nowhere to go

I take a plane, mah bro

I wanna rock'n'roll A7

And you don't know what I'm talking about E

I am providing the 999
