

# Phil Headway - My Van Is My Studio

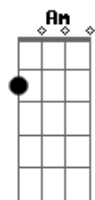

tom:  
Am  
It doesn't matter anymore  
D7  
When the door doesn't open  
C7  
And the key doesn't fit  
Am  
And I stay here inside  
Am  
It doesn't matter when I shut myself  
D7  
And feel an outsider  
C7  
In an absolute silence  
Am  
Trapped inside  
D7 C7  
It doesn't matter anymore  
D7 C7  
When I call your name  
E7 F7 E7  
And you don't hear  
Am  
My van is my studio  
And now there is nothing anymore  
D7 C7  
My van is my studio  
Am  
And my head I left out  
E7 D7  
For me, not for you  
Am  
Clothes don't make the man  
Am  
It doesn't matter  
Actually, nothing matters anymore  
D7  
When the door doesn't open  
C7  
And the key doesn't fit  
Am  
And I stay here inside  
Am  
It doesn't matter when I shut myself  
D7  
And feel an outsider  
C7  
In an absolute silence  
Am  
Trapped inside  
"And I wanna make sure that you get it baby  
Lemme repeat it, shall we?"  
D7 C7  
It doesn't matter anymore  
D7 C7  
When I call your name  
E7 F7 E7  
And you don't hear
