

Phil Headway - The Sound Of The Hummingbird

tom:
Am
Am
Tell me why
You are calling the crow
After seeing the flowers
Taking roots in the stone
Overfly
Get your ducks in a row
Because slowly the twilight
Will embrace all the darkness
"Now, listen to me"
Am
Stop it
Wait a minute
Water hope
Water hope
Water hope
I will bring you smiles
And the beauty of the lily
With the sound of the hummingbird

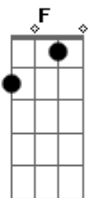

Guitar Solo: |Am|F|C|G|Am|F|C|G|Am

Am
So be wise
F
And silence your voice
C
There's no need to explain
G
You can sing all the way through
Am
In the sky
F
Sun goes down on that stone
C
But in somewhere it's rising
G
Lighting up all the darkness
"Come on"
Am
Stop it
Break it up
F
Carry on
C
Carry on
G
Carry on
D
I will bring you smiles
E
And the beauty of the lily
Bm

With the sound of the hummingbird
