D Em7 G7M
[Primeira Parte]

D
I searched through the Earth
Em7 G7M
For something that could satisfy
D
A peace for the hurt
Em7 G7M
I had buried deep inside
D
Knees on the floor
Em7 G7M
I finally found everything I needed
D Em7 G7M
You lifted my soul and opened up my eyes
[Pré-Refrão]

D Em7
And I never knew anything lasts forever
G7M
Till I found You, till I found You
D Em7
I never dreamed anything could be better
G7M
Till I found You, till I found You
[Refrão]

D Em7
You're rewriting my story
G7M
And I'm brand new like a morning
D Em7
Oh, I never knew anything lasts forever
G7M
Till I found You

D
Till I, till I found You

Em7 G7M
Till I, till I found You
D
Till I, till I found You

[Segunda Parte]

D
Gone are the days
Em7 G7M
I'm chasing after what won't last
D
I'm done with building these castles
Em7 G7M
That crumble like sand
D
Oh, knees on the floor
Em7 G7M
I finally found that everything I needed
Was always right in front of me
D
You gave me a name
Em7 G7M
You changed everything I am
